

MEPROS

LED LIGHTING SOLUTIONS

www.mepros.com.tr

An abstract graphic design featuring thick, curved, black and white lines on a gray background. The lines form stylized, overlapping loops or ribbons, creating a sense of movement and depth. The design is minimalist and modern, with a focus on geometric shapes and negative space.

SL60

-
- A diagram of a four-stage funnel-shaped structure. It consists of four concentric ellipses representing stages, with diameters labeled as 800mm, 600mm, 400mm, and 200mm from top to bottom. A small circle at the top center has lines connecting it to the top stage.
